A Sporting Pulse (SP) Passport is required before trying to go any further.

Check with your Club Registrar for how to get one and advise them as soon as you have one so that you can be aligned to your team. Club Registrars need to go to page two of their SP User Manual.

Please note that you MUST confirm your login from the return e-mail from SP after set-up, failure to do so will mean that the Club Registrar will not be able to align you to your team's data.
